## Still Unsure About Courses? Hear What Our Students Say:

<b>4.0</b> ★★★★★ I absolutely loved the course and it gave me enough knowledge to start trading right away after the course. Infact, I'm able to earn so much passively now that I'm thinking of quitting my job. Mehwish Yousoof Batch: 005 Course: Standard Foxex	<b>4.5</b> ★★★★★ The onboarding process was a breeze, allowing us to easily set-up governance rules tailored for our company. The interface is friendly to users across departments, and the customer support has been amazingly responsive, rapidly responding to our questions and adding new features to the service. Syed Muhammad Rafi Batch: 005 Course: Standard Foxex	<b>5.0</b> ★★★★★ Tradex helped me solve all my problems from my university fee, salary struggles to fuel and food expenses. Rayan Khan is a very gifted trader & an even better trader; his signals are always on point and helped me earn a lot. Sobaan Sheikh Batch: 069 Course: Foxex

**Disclaimer:** Our school, dedicated solely to educational purposes, explicitly states that we do not engage in any investment activities, offer promises of returns, or execute trading on behalf of our students. The courses we provide are designed solely for instructional purposes within an academic environment and should not be construed as offering financial, legal, or regulatory advice.

Forex trading, like any investment endeavor, carries inherent risks. While our courses aim to educate and equip students with knowledge and skills to navigate the forex market, we do not guarantee any specific returns or profits. Any simulated trading activities conducted during the course are purely for educational purposes and may not accurately reflect real market performance.

Additionally, it is important to note that the reservation fee of 5000 PKR for seat reservation is non-refundable. This fee is charged to secure a seat in our courses and is non-negotiable. In the event of a card loss or misplacement, students will be subject to a fee of 500 PKR for the re-issuance of the student card.

By enrolling in our courses or accessing any materials provided by our school, students acknowledge and accept the terms outlined in this disclaimer. It is imperative that individuals carefully consider their financial situation and risk tolerance before engaging in any form of trading or investment activity.
